Community Outreach Volunteer Program

The Center for American Values is now forming its "Community Outreach Volunteer Program." Volunteers are needed to assist Center personnel during public and private events. Center volunteers will play a vital role interacting with visitors and conference attendees.

The Center for American Values is located in the heart of the Historic Arkansas Riverwalk of Pueblo and is proving to be one of the most memorable moments on the Walk of Valor tour. Volunteers working amongst the Center's photographic display of over 140 Congressional Medal of Honor recipients are sure to experience deep feelings of pride and patriotism.

Who should participate?

- Men and women of all ages
- Retired military
- Spouses of active military duty
- Retired teachers
- People with disabilities
- People from all political, ethnic, and religious backgrounds
- People interested in being active participants in their community
- People who are friendly, active, and have a desire to help others

Teen Volunteers Program (ages 14-18)

This is an ideal opportunity for teens to become involved in the community as active, responsible citizens. The Center's core values of Honor, Integrity and Patriotism provide an excellent atmosphere for youths to gain new knowledge and respect for those who have made extreme sacrifices in order to keep America great.
